MEXICAN SITUATION SERIOUS

(Continued from Page One.)

preparations have been completed here and advanced detachments, aided by motor trucks are withdrawing to Nantiquipa, which is expected to become the southernmost point on the line of patrol.

Villa Wounded by Boy.

By United Press.
Columbus, N. M., May 12.—It is persistently rumored that Villa has been shot and wounded by a young brother of a fifteen year old girl whom he attempted to assault at Guero, following the Columbus raid. The boy has been executed. Extent of Villa's wounds unknown.

Mexican Troops to Parral.

By United Press.

El Paso, May 12.—Before departing for Mexico City, General Obregon ordered the rushing of 10,000 additional troops into the Parral region and the territory opposite the Big Bend, for the purpose of proving, before negotiations open at Washington, that he is fully able to control the situation and hunt down all bandits.

For Public Safety.

The mayor of the city and his cabinet were solemnly considering the problem of safety in the streets. The police commissioner had stated his views and others proposed various legislative measures to control vehicle drivers and pedestrians. Finally it was the turn of the corporation counsel to speak. "I think," he said with judicial calm, "that what we need is an ordinance to make the girls wear longer skirts. Then fewer men would get run over in the streets."

Cleanse the Blood Banish Rheumatism

Rheumatism Due to Bad Blood. S. S. S. Your Remedy

Thousands have been made well. People in the poorest health, suffering from rheumatism, with whom pain was constant. Who believed that their vitality was beyond repair. It was proven to them that the cause of their trouble was the blood; that Uric Acid, the most faithful ally of rheumatism, had gripped them. The poison in the blood had sapped its strength. The weakened blood has allowed poison and impurities to accumulate, and all energy was gone. They felt "poorly."

were listless, pain was ever present, with poor digestion and dyspepsia. They tried S. S. S.—nature's blood tonic. They gave up drugs. This compound of nature's remedies of roots and herbs did what drugs failed to do. It literally washed the blood free from poison, and with the flow of pure blood came back health, strength, vigor and happiness. Get S. S. S. from your druggist. Insist upon S. S. S. If you are a long standing case, write for special advice to Swift Specific Co., Atlanta, Ga., but begin taking S. S. S. at once.

Aren't you about ready to stop "cigarette-shopping"?

You've tried out more different brands of cigarettes than you can remember. It's discouraging. And expensive.

Naturally, you'd stop this "shopping" around—quick—if you could find a cigarette that never grew tiresome.

Fatima is such a cigarette.

Men don't simply get Fatimas—they adopt them.

Because they find that Fatimas never grow tiresome.

Fatimas are a SENSIBLE cigarette inasmuch as they are *always* cool and comfortable to the throat and tongue. And they allow you to smoke as you like to smoke—without leaving a trace of "mean" feeling afterward.

Is it any wonder men adopt Fatimas and STICK to Fatimas for their steady smoke?

Surely—you should at least TRY Fatimas!
